In accordance with federal law (42 C.F.R. 411.351), we will provide at no charge to our customers only the supplies required to collect specimens sent to Southeastern Pathology Associates (SEPA Labs) for analysis, and such supplies shall be used only for such collection purposes. Quantities are therefore provided in direct proportion to actual client sample volume. Your acceptance of these supplies is an acknowledgment that you agree to these requirements.

**NOTE: Please indicate on this form the supplies that you will use for this purpose and allow up to three business days for receipt of your order.**
